This directory was designed to provide you with an overview of our fine community. We want you to come to the Clio Area and have fun. We look forward to seeing you here. The Clio Chamber of Commerce provides its members with many events where they can network with other business people. The Chamber Calendar offers many opportunities to meet with fellow Chamber members, see old friends and make new ones. There will also be opportunities throughout the year to gain business insights and to learn how others have been successful. Many Chamber members meet new clients at these events.

The mission of the Clio Area Chamber of Commerce is to enhance the economic vitality of its members. The chamber actively serves and represents businesses in northern Genesee County and provides opportunities to its members to market,

network, and promote for the purpose of stimulating growth and increasing awareness in the community.

MEMBERSHIP BENEFITS

Social Media

*Members of the Clio Chamber can utilize the Chamber Facebook page and website to share information and offer specials or get ideas from others that will help with their business.

Grand Openings and

Ribbon Cutting Ceremonies

*These ceremonies, which increase the visibility of new businesses, business expansions, relocations or businesses under new ownership, are provided to chamber members only.

Networking @ Noon

*Networking @ Noon events attract a crowd and are a wonderful resource for connecting

with both current and prospective clients. At each luncheon, new members are introduced, and each attendee can introduce themselves and give a quick commercial about their business. Each month we have a drawing for free advertisement on the Clock Tower.

Networking Afterhours

*These casual and friendly events are great for getting to know your clients and establishing business relationships for years to come. They are held after the end of the business day and are in a relaxed atmosphere. Networking Afterhours is held at various locations. Bringing a friend is highly recommended.

Clock Tower Sign

*Chamber members can get free or reduced pricing for putting their message on the Clock Tower Sign at Mill and Vienna Streets.

Business Referral Service *Each year the Chamber responds to many inquiries asking for referrals and information about products and services available in the Clio area. We refer Chamber businesses to tourists, those interested in relocating to the area, the business community, and the general population.

Membership Advantage

*Current Chamber members can offer fellow Chamber members and their employees a discount on products and services. This assists members in increasing their customer base while promoting patronage of Clio Chamber members and providing advertising exposure to member participants. There is no

cost to you, and there are no special forms you need to fill out. We will send notice via social media if you choose.

Tax Deductibility

*Membership in the Chamber may be deductible as a customary business expense.

Recognized as the premier public school district in the area, the district provides a high-quality education with diverse options for about 3,000 students annually.

The district includes Clio Early Elementary, Clio Elementary (K-3), Clio Intermediate School (4-5), Clio Middle School (6-8), Clio High School (9-12), and Clio Community High School which also includes Clio Community Education and the Clio Home-School Partnership. Thanks to a \$40 million bond approved by our supportive community, all elementary grades (K-3) will attend the completely renovated, expanded and state-of-the-art Clio Elementary School (formerly Garner Elementary) beginning in the fall of 2023

In addition to its strength in traditional academics, Clio is repeatedly earning honors for its music and arts programs, athletics, and multiple dual enrollment options.

Thetford Township was officially established February 10, 1942. The name of Thetford was chosen by Nathan A. Wilson—taken from the town of Thetford, in Orange County, Vermont

Today, Thetford Township is proud of its well maintained roads. In 1990, the Thetford Senior Center was opened on Center Road just south of Vienna Road (M—57).

Thetford Township is also very proud of Ligon Land on Farrand Road between N Genesee and N. Belsay Roads. This development belongs to the Genesee County Intermediate School District. Largely used by the school districts, there are also tours at

various times of the year for any interested party.

Our local park will also be home to our Disc Golf course in the near future!

 *Township Board Meets 1st Tuesday each month at 6:30 p.m.
 *Planning Commission: Meets the 2nd Thursday each month at 6:30 pm
 *Board of Zoning Appeals: Meets the 4th Wednesday each month at 6:30 pm

The Taymouth Indians of the Huron Tribe were the first people to inhabit the Vienna Township area. In 1833 Charles McLean

came from Saginaw County and became the Township's first settler.

Because of the abundance of pine timber and Brent and Pine Run Creeks the lumbering industry prospered in the area. Then as the land was cleared of trees it became a farming community and a stagecoach stop. Clio is now a suburban community located between Flint and Saginaw; Vienna Township enjoys a combination of open spaces, residential development, small-scale agricultural activity and business development.

CITY WEBSITE:
WWW.CLIO.GOVOFFICE.COM

In 1978 Vienna Township became a Charter Township. It has ten citizen boards and commissions. The township operates a County Sheriff Substation located at 3400 West Vienna Road staffed with patrol and investigation personnel to provide 24-hour-a-day police protection.

COOPERATION & SHARED SERVICES

CLIO AREA FIRE DEPARTMENT

The first fire department was organized in 1882 and has grown along with the community. In 1976 the Clio Area Fire Authority was formed. It is a joint-operating agreement between the City of Clio and Vienna and Thetford Townships to provide fire protection for the 72-square mile community. Financed by an area-wide one-mill property tax levy or the equivalent, it operates two stations-

- Station One 3291 W. Vienna Road
- Station Two, 11492 N. Center.

The Clio Firemen's Homecoming starts on Wednesday and features a BIG PARADE on the Thursday of that week.

CLIO AREA LIBRARY

The Genesee County District Library operates a branch library at 2080 West Vienna Road. It is funded by annual contributions from Vienna Township, Thetford Township, and the City of Clio. Call (810) 686-7130 to speak with Clio Area Librarian Amy Houser, who looks forward to assisting you in any way possible.

TWO AREA SENIOR CENTERS

Clio celebrates its senior citizens by holding activities and events at the Clio Senior Center 2136 W. Vienna Road, (810) 687-7260, and Thetford Senior Center 11495 N. Center Road, (810) 686-0630. Come and visit these facilities.

PARKS AND RECREATION

The Clio Area Parks and Recreation Board, formed in 1989, coordinates recreational activities and grant requests and has

successfully received nearly \$1 million in state and federal funds to support recreation. These activities are largely a result of the spirit of the community volunteers and the cooperative efforts of the three municipalities and the school district. Area residents have access to the Art Center, Historical Center, the Clio Bike Path, the Clio Area Youth Sports Complex, the school playgrounds, Clio City Park and Thetford Mini-park. Through the Parks and Recreation Board, the Clio area is actively pursuing further development of "walkable Community" for its residents and connecting neighboring communities to Clio.

In 1992 the Charter Township of Vienna formed the Vienna Township Business Development Authority (BDA) to encourage commercial growth in the Township. Water, sewer, and sidewalk infrastructure expanded from the City of Clio along Vienna Road to include Linden Road, creating a business district corridor. New businesses were attracted to Exit 131 along I-75 and today the BDA is proud of a vibrant business district. The BDA has developed an extraordinary beautification project that began in 2011 to include colorful flower beds along Vienna Road. The BDA has earned awards for beautification and a "best exit award" for manicured lawns and flower garden displays. Additionally, street lighting has created a

warm and inviting exit for the business district with seasonal Christmas decorations and light pole ornaments. The BDA is known for its management of Bridge Park - a beautiful park with a large Monarch Butterfly habitat, Jennings Road Park, the Trolley Line walking trail, Clio Youth Sports Complex, Auto City Speedway, and several unique locally owned stores and restaurants. One of the primary tasks of the BDA is to attract and retain business, as well as help shine a spotlight on the businesses that choose to call the BDA district their home. Please contact the Vienna Township BDA if you are interested in locating your business in the district.
